

VT Course	VCCS Course	Admissions Advising
Psychology (PSYC)		
MATH 1014 (or higher, calculus-based math)	MTH 167 or 161+162* (or higher, calculus-based math)	Required
1 semester of a transferable Lab Science (Astronomy, Biology, Chemistry, Geology, or Physics)	1 semester of a transferable Lab Science (Astronomy, Biology, Chemistry, Geology, or Physics)	Required
MATH 1025 (or MATH 1225)	MTH 261 (or MTH 263)	Strongly Recommended
ENGL 1105	ENG 111	Strongly Recommended
ENGL 1106	ENG 112	Strongly Recommended
2nd semester of a transferable Lab Science (Astronomy, Biology, Chemistry, Geology, or Physics)	2nd semester of a transferable Lab Science (Astronomy, Biology, Chemistry, Geology, or Physics)	Strongly Recommended
PSYC 1004	PSY 200	Recommended
	*MTH 161 with higher, calculus-based math (such as MTH 261 or MTH 263) will meet minimum admissions requirements. MTH 161 alone does not provide credit for MATH 1014 and does not meet minimum requirements for admission. MTH 161 in combination with other non-calculus-based mathematics coursework (such as statistics), does not meet minimum requirements for admission.	

**Required course** - In order to be competitive for admission, prospective transfer students must complete this course prior to transfer with few to no exceptions. Not every program has courses in this category.

**Strongly Recommended course** - Prospective transfer students are strongly encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Strongly Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but prospective transfer students with otherwise strong applications could be admitted without this course. Not every program has courses in this category.

**Recommended course** - Prospective transfer students are encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but Recommended coursework should be pursued in addition to coursework listed from the Required and Strongly Recommended categories. Prospective transfer students with otherwise strong applications could be admitted without this course.
