

VT Course	VCCS Course	Admission Advising
<b>Technology Education (TCHE)</b>		
ENGL 1105	ENG 111	Strongly Recommended
ENGL 1106	ENG 112	Strongly Recommended
EDCI 3144	EDU 250 or 254	Strongly Recommended
EDCI 2004 or a course that provides an overview of education preparation experience.	EDU 200	Strongly Recommended
2 semesters (6 hours) of calculus (equivalent to MATH 1025 and 1026).	MTH 261, 262	Strongly Recommended
CS 1014	CSC 110	Strongly Recommended
CS 1064	CSC 221	Strongly Recommended
2 semesters (6 hours) of a science in Biology, Chemistry, or Physics. BIOL 1105 and BIOL 1106; CHEM 1015 and CHEM 1016; CHEM 1035 and CHEM 1036; PHYS 2205 and PHYS 2206.	2 semesters (6 hours) of a transferable science sequence in same subject.  BIO 101 and 102 CHM 101 or 110; OR CHM 111 and 112 PHY 131 and 202; OR PHY 201 and 202	Recommended
ENSC 1015 or 1016	ENV 121 or 122	Recommended
CS 1114	CSC 222	Recommended
<i>Education Major Disclaimer - Due to the unique nature of this major including state licensure requirements, students may need to enroll in additional summer or winter semesters to complete prerequisites for the Educator Preparation Program affiliated with this major. This results in a very rigid course sequence for students who transfer into the program. Students generally take 6 semesters to complete the required coursework after transferring to VT, regardless of the number of credits completed before entering VT. As such, we recommend that students transfer soon after they have completed some of the courses listed above.</i>		

**Required course** - In order to be competitive for admission, prospective transfer students must complete this course prior to transfer with few to no exceptions. Not every program has courses in this category.

**Strongly Recommended course** - Prospective transfer students are strongly encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Strongly Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but prospective transfer students with otherwise strong applications could be admitted without this course. Not every program has courses in this category.

**Recommended course** - Prospective transfer students are encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but Recommended coursework should be pursued in addition to coursework listed from the Required and Strongly Recommended categories. Prospective transfer students with otherwise strong applications could be admitted without this course.

**(Disclaimer)** Admissions Transfer Roadmaps are a tool to aid in course selection and prioritization by intended program only. Completion of all equivalent Required courses or all equivalent courses listed from each category does not necessarily guarantee admission into that program. Final admissions decisions are made through a holistic review process and based on numerous additional factors, including but not limited to overall and individual course performance, strength of applicant pool for intended program, and space availability.
